**World Champion Supports Kansas Army National Guard**

Six times International Hot Rod Association World Champion Clay Millican will be displaying Kansas Army National Guard stickers when he takes to the track this weekend at Heartland Park Topeka.

“We truly appreciate the sacrifices our Soldiers make so we can go racing,” said Millican. “Running the decal was something our team wanted to do to show support for our troops.”

Millican has seen those troops in action first hand. As part of a contingent of racers, he visited servicemen in Iraq last year as part of a Morale, Welfare and Recreation tour.

“Visiting the troops last year was a life changing experience,” Millican said. “It was an awesome experience and made me realize what they really do for us. Our guys are doing a great job over there and this is just a small thing that we can do to show our support for them.”
